### Routine Cleaning

5-Step Standardized Cleaning Process

**1. High Dust**

Clean in a clockwise pattern around the room from high to low.

**2. Spot Clean/Remove Graffiti**

Spot clean all nonporous surfaces with a Buckeye All-Purpose Cleaner. Clean glass, acrylic plastic and white dry-erase boards with a Buckeye Glass Cleaner. Spray tough soils with a Buckeye Muscle Cleaner. Let it dwell 2-3 minutes. For stubborn stains, agitate the area and then wipe it clean with a paper towel.

**3. Dust Mop or Sweep**

Scrape up items stuck to the floor with a putty knife, being careful not to gouge the floor.

**4. Empty Trash**

Do not push down on trash as there may be sharp objects in the trash bag.

**5. Damp Mop**

Post "Wet Floor" signs at the area entrance. Outline the area with a damp mop and fill in using a figure-8 technique.

**Equipment Care**

Clean and store equipment after completing Routine Cleaning procedures:

- Rinse mop heads and hang them to dry.
- Rinse buckets and wringers.
- Place dirty dust mop heads in a laundry bag.
