
CUSTODIAL TRAINING PROGRAM FOR LONG-TERM CARE FACILITIES

The Insight™ Custodial Training Program for Long-Term Care Facilities is Buckeye's specialized training program that provides a standardized, 5-step cleaning process that may be applied to every area in all long-term care facility types.

The Insight Program provides training in routine cleaning, restroom and shower cleaning, carpet care, hard floor care, resident room/Alzheimer's Related Dementia (A.R.D.) isolation room cleaning and odor control, and product safety. This program presents easy to follow procedures that are researched and proven to increase efficiency and keep your long-term care facility looking its best.
