

HOSPITAL ENVIRONMENTAL SERVICES MAINTENANCE PROGRAM

The Solution For A Clean, Healthy Hospital

Quality, high performance products

Buckeye's Prescription™ for a clean, healthy hospital starts with selected products from the Buckeye line. These professional products give you:

- High performance to meet tough standards
- Patented technology to provide consistent and optimum product performance
- Researched formulations to maximize end-user and environmental safety
- Specialized products for Hard Floor Care, Carpet Care, and areas requiring Disinfectants, General Cleaners, and Unique Cleaners

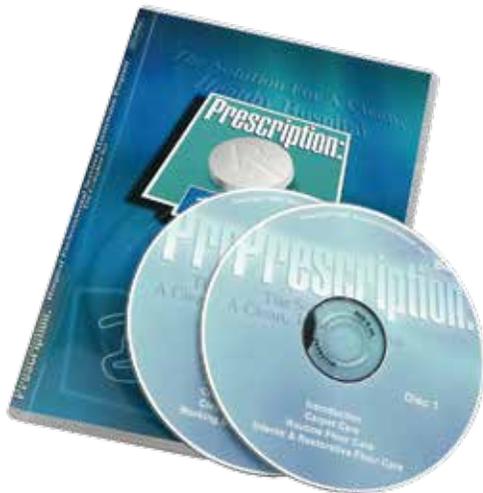

Prescription is an IEHA accredited Training Program

Standardized procedures and maintenance frequencies

Our easy-to-implement procedures are designed to:

- Save time by reducing duplication and unnecessary maintenance
- Reduce labor by setting up prescribed schedules for all areas
- Improve cost savings through economical and consistent use of cleaning and floor care products
- Earn continuing education units through training conducted by Buckeye representatives using the Prescription program

* To access DVD-ROM content requires a computer with a DVD-ROM drive, and Adobe® Acrobat® Reader.

Easy-to-understand training materials

The Buckeye Prescription program provides:

- Detailed, yet clearly presented procedure manual for reference by trainers, supervisors and employees
- Step-by-step instructional DVDs* covering products, procedures and timesaving techniques for:
 - Product Safety
 - Basic Hospital Cleaning
 - Routine Floor Care
 - Interim and Restorative Floor Care
 - Patient Room Cleaning
 - Surgery Area Cleaning
- Print-ready, easy-to-follow instructional wall charts for printing from DVDs as needed
- Print-ready, procedure manual for printing extra copies from DVDs as needed

Local professional follow-up and support

The Prescription program doesn't end with the purchase of the program materials and products. Experienced representatives are available locally for in-service training as well as ongoing technical assistance.

Our goal is to help make your overall program successful. If you need help, a trained professional will be there to provide it. As proof of our commitment to helping you maximize your hospital's appearance, Buckeye International offers an "800" technical assistance line. You will be provided with this number when you become a member of the Prescription program.
