

Effortless Dilution. Maximum Efficiency.

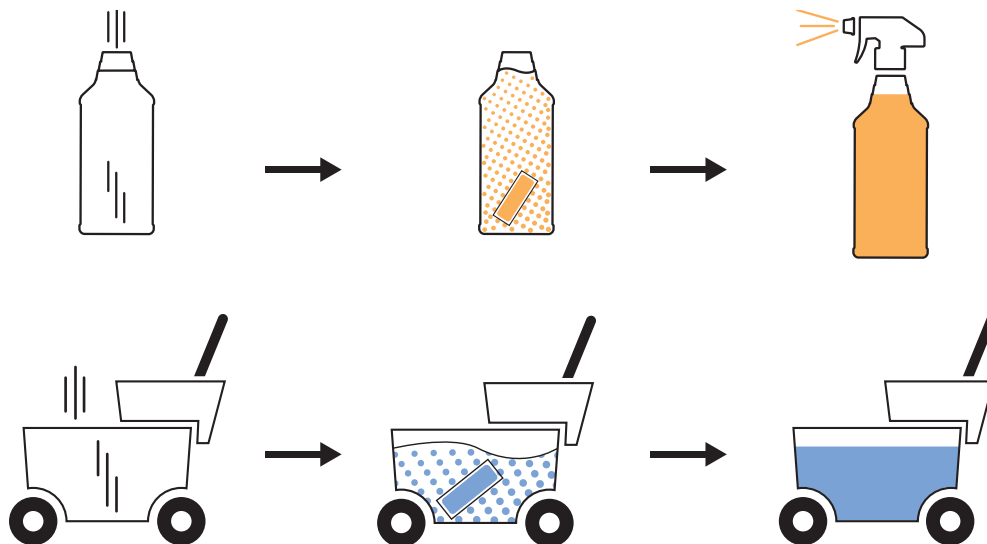

Effortless Dilution

How it Works

Eco Pods provide precise dilution in every bottle or bucket without the need for system maintenance. Easy for staff to use, the Eco Pods line delivers advanced cleaning formulas that meet facility standards and offer industry-leading cleaning performance in every pod.

Eco Pods make cleaning easier than ever. They dissolve in minutes with agitation — no measuring, no mess.

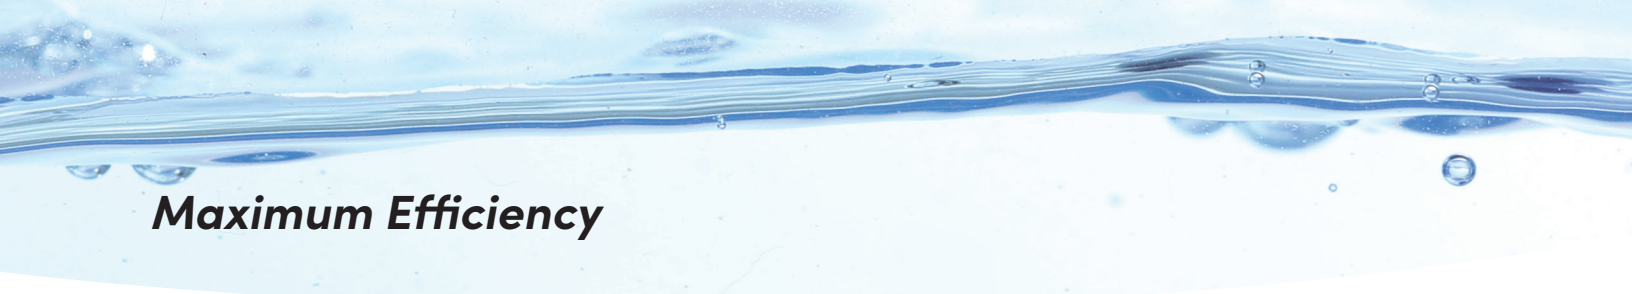

Fill, Drop, Agitate, and Clean:

1. Fill a spray bottle or mop bucket with water.
2. Drop in one Eco Pod and mix the solution well
3. Clean confidently, knowing you have the perfect dilution every time.

Whether you're cleaning glass, scrubbing restrooms, or wiping down every-day surfaces, Eco Pods are designed to simplify the process—so your team can spend less time preparing and more time cleaning.

Maximum Efficiency

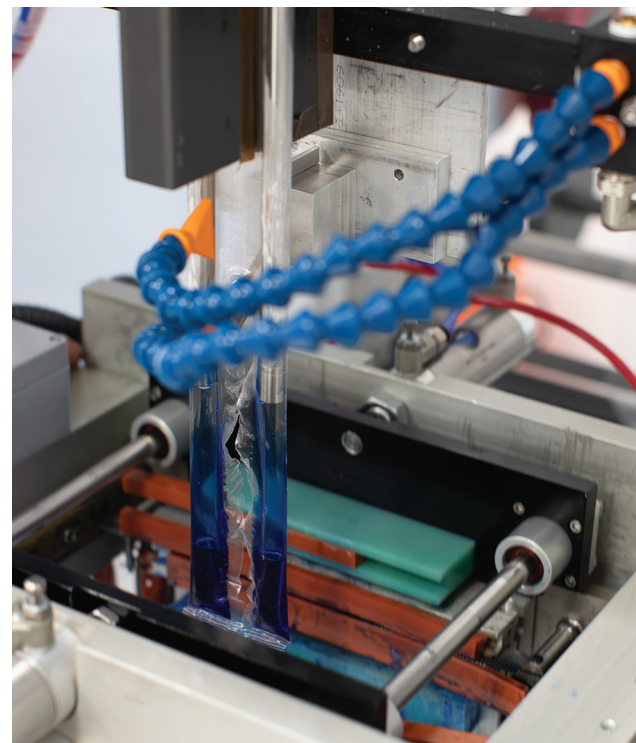

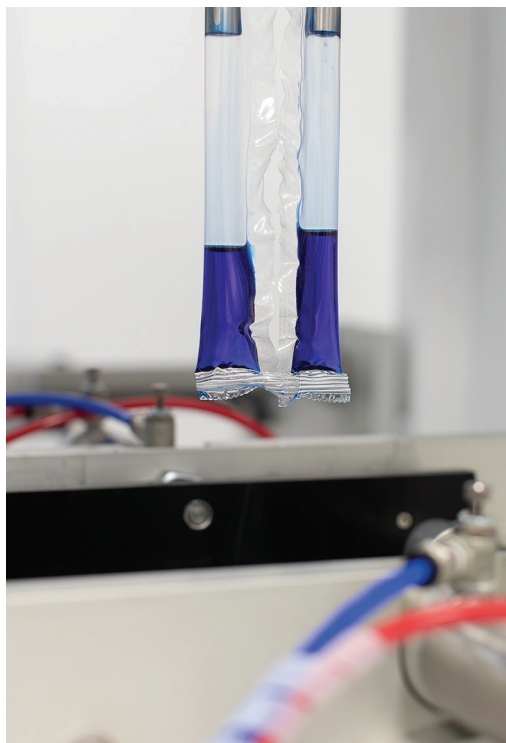

Professional cleaning power, made in the USA, brought to you by an industry leader.

Behind every Eco Pod is Buckeye International, a leader in quality and innovation. Buckeye is vertically integrated, overseeing every step of production—from research and development to manufacturing. This ensures the highest standards for quality, consistency, and unmatched performance.

The result?

Reliable, powerful, and professional-grade cleaning with every pod.

Eco Pods aren't just convenient—they're powerful. Each pod delivers high-performance cleaning with advanced, modern formulas designed to tackle dirt, grime, soap scum, soils, and more.

Sustainable Solution

Eco Pods are designed with the planet in mind. By replacing bulky plastic bottles with compact dissolvable pods, you're making a meaningful difference in your facility's sustainability goals — without sacrificing performance.

Reducing Plastic at the Source: Eliminate unnecessary packaging and reduce the number of products ordered and stored.

Compact, Recyclable Containers: Eco Pods come in small, easy-to-store canisters — streamlining inventory and storage needs.

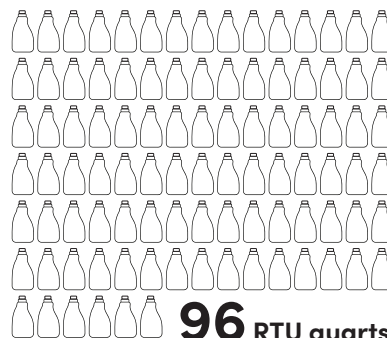

The Eco Pods film grades meet EPA Safer Choice standards and are listed in CleanGredients.

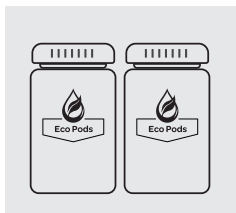

One case of quart pods
(3 lbs)

replaces

96 RTU quarts
(192 lbs)

a 98% reduction

One case of mop pods*

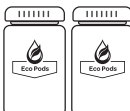

yields

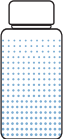

gallons of diluted cleaner

**A case of Eco Pods Disinfectant Cleaner mop pods yields 80 gallons of diluted cleaner.*

Facilities choose Eco Pods from Buckeye when they need straightforward, effective cleaning they can rely on.

PRODUCT		DESCRIPTION	PRODUCT DETAILS	SIZE
 	63110160 Eco Pods All-Purpose Cleaner (quart pods)	All-purpose cleaner that is formulated without APEO or EDTA. Use it on finished floors, walls, fixtures, and other hard, nonporous surfaces.	pH (diluted): 9.5 ± 0.5 Fragrance: Citrus Color: Vista Blue	24 Pods/Canister 4 Canisters/Case
 	63110270 Eco Pods All-Purpose Cleaner (mop pods)	All-purpose cleaner that is formulated without APEO or EDTA. Use it on finished floors, walls, fixtures, and other hard, nonporous surfaces	pH (diluted): 9.5 ± 0.5 Fragrance: Citrus Color: Vista Blue	20 Pods/Canister 2 Canisters/Case
 	63340270 Eco Pods Floor Cleaner & Neutralizer (mop pods)	Floor cleaner that is safe on floor finish. It is also designed to remove ice melt residue from floors.	pH (diluted): 5.0 ± 0.5 Fragrance: Lemon-Lime Color: Purple	20 Pods/Canister 2 Canisters/Case
 	63230160 Eco Pods Disinfectant Cleaner (quart pods)	Disinfectant cleaner-deodorizer-fungicide for use on hard non-porous surfaces	pH (diluted): 7.0 ± 0.5 Fragrance: Marine Adriatic Color: Red	24 Pods/Canister 4 Canisters/Case
 	63230270 Eco Pods Disinfectant Cleaner (mop pods)	Disinfectant cleaner-deodorizer-fungicide for use on hard non-porous surfaces	pH (diluted): 7.0 ± 0.5 Fragrance: Marine Adriatic Color: Red	20 Pods/Canister 2 Canisters/Case
 	63120160 Eco Pods Glass Cleaner (quart pods)	Cleaner for use on glass, windows, mirrors, Plexiglas®, etc. It does not contain alcohol, butyl, or ammonia, drying quickly without streaking, reducing time and labor.	pH (diluted): 9.5 ± 0.5 Fragrance: Ocean Surf Color: Turquoise	24 Pods/Canister 4 Canisters/Case

PRODUCT		DESCRIPTION	PRODUCT DETAILS	SIZE
	 63180160 Eco Pods Restroom Cleaner (quart pods)	Heavy-duty cleaner that is designed to remove tough hard water deposits, standing water rings, soap scum, and mildew buildup on restroom surfaces.	pH (diluted): 6.5 ± 0.5 Fragrance: Lemon Lime Color: Tangerine	24 Pods/Canister 4 Canisters/Case
